Winter Program 2026

WINE & WILDLIFE:
FROM VINEYARDS TO STEPPES

LA CASONA

⊕ *at matetic vineyards*

At **La Casona**, a boutique hotel located in a traditional early-1900s countryside estate, you will enjoy ten exclusive rooms designed in an elegant and sophisticated colonial style. Its rich history, combined with a careful and modern renovation, ensures personalized and excellent service. Here, you can savor world-class gastronomy at **Restaurant Equilibrio**, explore vineyards through guided tours, and immerse yourself in organic and biodynamic farming with tastings of **Matetic wines**.

— HOTEL & EXPERIENCES —
Estancia Cerro Guido

Meanwhile, at **Estancia Cerro Guido**, nestled in the vast Chilean Patagonia, you will step into a unique setting of over 247,000 acres. This iconic place preserves its historic identity, blending ranching traditions with innovative conservation efforts. You'll explore a biological corridor home to the world's highest concentration of pumas and learn about the efforts of the **Cerro Guido Conservation Foundation** to balance ranching and wildlife.

We invite you to be part of this exclusive program, where culture, history, nature, and sustainability come together to offer an unforgettable experience. Embrace the best of both worlds and create memories that will last a lifetime.
